

## found photos

**Categories :** [archaeological sensibility](#), [ruins and remains](#), [the shape of history](#), [the uncanny](#)

**Date :** August 27, 2004

Thanks to Diana Valk who left a comment the other day about [LOOK AT ME!](#) - a fascinating site devoted to found photos.

This was after I posted the photo of the girl I found in an old camera case (the lab's new Graflex) - [\[Link\]](#)

[More of the uncanny.](#)
